REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance for claims 1-2, 4-6 and 24: the prior art does not disclose or suggest an alignment fixture for aligning a component of a drum assembly used in a video recording device including an aligning actuator that exerts a lateral force on said component of said drum assembly in combination with the remaining limitations of the claims.

2. The following is an examiner's statement of reasons for allowance for claim 3: the prior art does not disclose or suggest an alignment fixture for aligning a component of a drum assembly used in a video recording device including reference pins engaging the outer peripheral surface of said drum assembly in combination with the remaining limitations of the claims.

3. The following is an examiner's statement of reasons for allowance for claims 26, 28-41: the prior art does not disclose or suggest an alignment system for aligning a component of a drum assembly associated with a video recording device including a fixture platform having an opening that receives the base of the drum assembly in combination with the remaining limitations of the claims.

4. The following is an examiner's statement of reasons for allowance for claim 42: the prior art does not disclose or suggest an alignment system for aligning a component of a drum assembly associated with a video recording device including the video recording device in combination with the remaining limitations of the claims.

5. The following is an examiner's statement of reasons for allowance for claim 43: the prior art does not disclose or suggest an alignment fixture for aligning a drum of a drum assembly used in a video recording device including a positioning system for adjusting the position of said drum of said drum assembly relative to said base when said portion of said drum assembly is positioned in said known position in combination with the remaining limitations of the claims.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
